

## SAVE THE DATE

First BRoTHER Summer School  
in Regensburg

24 - 28th September 2018

More Information coming soon at:  
<http://www.pathologie-regensburg.de/>

gefördert durch

Bayerisches Staatsministerium der Finanzen,  
für Landesentwicklung und Heimat

Bayerisch-Tschechische  
Hochschulagentur

Česko-bavorská  
vysokoškolská agentura

## Issues:

- Legal and ethical aspects of biobanking
- Networkbuilding in biobanking
- Grant applications in biobanking
- Sustainability of biobanks
- IT Developments
- Hardware developments
- Preanalytics
- Research on biobanking

## Organization:

Lectures, hands-on trainings, work-shops

## Target groups:

Students (undergraduate and doctoral), Post Docs,  
Researcher and clinicians  
Legal and administrative staff

The BRoTHER-Konsortium

Technische Universität München

FAKULTNÍ NEMOCNICE PLZEŇ

Universität Regensburg

## Invited Speaker

### Development and Organization of Biobanks

**Pasquale di Blasio**, Milano, Italy confirmed  
(Founding President of the European, Middleeastern and African Society of Biobanking)

**Georges Dagher**, Paris, France confirmed  
(Coordinator of the National Biobank Initiative France)

### Technological Developments

gefördert durch

Bayerisches Staatsministerium der Finanzen,  
für Landesentwicklung und Heimat

Bayerisch-Tschechische  
Hochschulagentur  
Česko-bavorská  
vysokoškolská agentura

## BRoTHER-Session

**Judita Kinkorova**, Pilsen, Czeck Republic confirmed  
(Manager of International Research Cooperation and Affairs at Faculty Hospital in Pilsen)

**Dalibor Valik**, Brno, Tschechien  
(Coordinator, National Node BBMRI.cz)

**Karl-Friedrich Becker**, München, Deutschland confirmed  
(Leiter der Biobank der TU München)

**Work shops:** Tissue Microarray, Whole Slide Imaging  
Biobank software systems, Hands-on biobanking

## Accompanying Event

### Podiumsdiskussion:

Thema: Wie kann wissenschaftliche Zusammenarbeit die Europäische Integration fördern ?

confirmed:

Horst Domdey (Sprecher des Clusters Biotechnologie Bayern)

Ernst-Ludwig Winnacker (Gründungsgeneralsekretär des Europäischen Forschungsrates)

Angelika Niebler (Europaabgeordnete) requested

N.N.

Moderation: N.N.

Institut für Pathologie  
Universität Regensburg

Institut für Pathologie  
Universität Regensburg

## Academic Work-shops

Tissue Microarray  
Whole slide imaging  
Hands-on Biobanking  
Data protection and legal issues  
Semantic web and Biobank data  
Funding and Cooperation

## Industry Work-shops

Sysmex Deutschland  
Sysmex Europa  
RuRo  
Angelantoni  
Precipoint  
Informeleon  
GEFAT-IT  
Milestone  
Biosigma
